Services	

SUBJECT: PROVISION OF TRANSPORT ASSISTANCE FOR THE PRESIDENTIAL AND NATIONAL ASSEMBLY ELECTIONS – SEPTEMBER 2025

As part of the logistical preparations for the forthcoming Presidential and National Assembly Elections in September 2025, the Electoral Commission requires transport assistance as a matter of priority.

All Ministries, Departments, Agencies, and State-Owned Enterprises are kindly requested to assist the Electoral Commission by providing reliable transport facilities and drivers.

The Electoral Commission has identified the following preferred vehicle types:

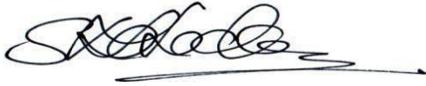

- Coasters (30-Seater)
- Hyundai H1
- Toyota Hiace

Organizations with available and reliable transport facilities that will not be required for essential duties during the election period are requested to inform the Chief Electoral Officer in writing by **4 April 2025**. This will allow the Electoral Commission sufficient time to plan effectively.

Additionally, the Electoral Commission will provide necessary training and briefings at station level for the allocated drivers, who will be informed accordingly.

The cooperation of all stakeholders is crucial to ensuring a smooth and successful electoral process. Your support in this national exercise is highly appreciated.

Shella Mohideen (Mrs.)
CHIEF SECRETARY
Public Service Bureau
